

Insurtech solutions

Patrizia Cozzoli

Head of Business Development, Fing.

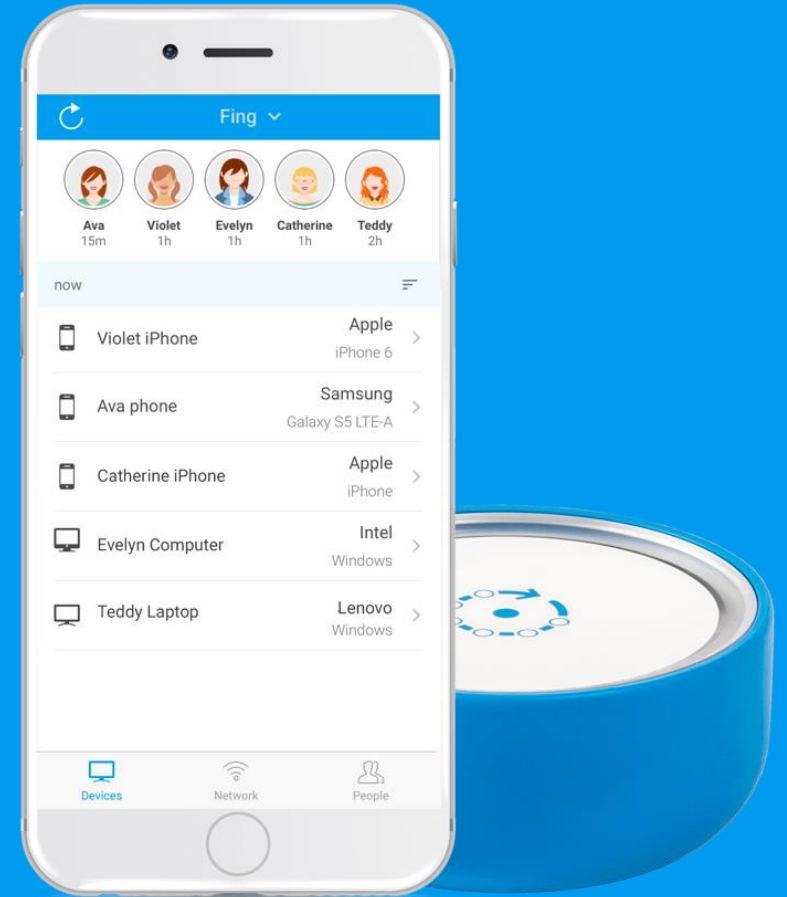

fing.io

OUR MISSION

Make invisible cyber risks visible.

Fing empowers insurers, businesses and consumers with awareness of the digital world.

Nine hours per day
spent on digital
devices.

Nearly half of all cyber-attacks are committed against small businesses

75% of connected devices will be leveraged in DDoS or IoT botnet attacks by 2021

Insurer challenges

- Knowing & understanding your clients
- Assessing & preventing cyber risks
- Building & pricing cyber policies

Businesses

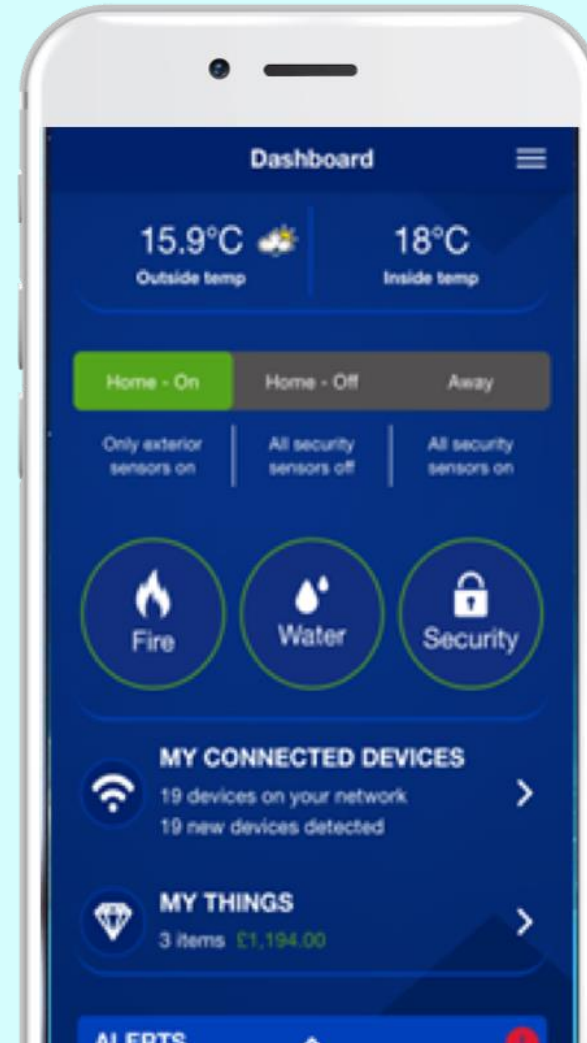

Consumers

LLOYDS/HALIFAX
